*Choice and
control*

Our philosophy is that all individuals can live independently in the community. People who need support for everyday living can be independent if they have control over the way support is delivered. We assist Disabled People by encouraging them to overcome the barriers preventing their independence. The most important thing we help people to realise is that independence is not a matter of doing everything for yourself but of having choice and control over your life and a say in what happens to you.

Your Independent Living Advice Service

Will provide you with the right information, advice and help to have choice and control over your support to live independently.

For example:

- **How to recruit and employ your own support staff**
- **How to manage Direct Payments/Personal Budget**
- **Help to plan your support**
- **Do your payroll**

Take control of your support

Our Bronze Service

As well as access to our telephone support Monday to Friday 9:00am to 5:00pm the Bronze service offers:

- Access to the SCIL website members area, which contains a variety of detailed information and useful document templates
- Access to our web forum, online advice service
- A copy of: 'Guide to Self Directed Support' in an accessible format.

Our Silver Service

Our Silver service is aimed at people who employ their own Personal Assistants (PA's) and in addition to the Bronze service offers a payroll service for up to 5 PA's

- We will register you as an employer with HMRC
- Liaise on your behalf with HMRC
- Produce your PA's wage slips
- Submit employer end of year returns

Our Gold Service

Our Gold service offers a managed budget sometimes called a Third Party Payroll service.

We will organise and manage all the arrangements for your support, and you keep all the choice and control.

- We act on your instructions
- We pay your PA's or pay Agency invoices
- We ensure you receive the support you need

We also offer bespoke self directed support services and home visits upon request.
